RALEIGH, N. C., Oct. 6, 1887.

COL. THOS. M. HOLT, *President N. C. R. R. Co.*,

and

MR. ALFRED SULLY, *President R. & D. R. R. Co.:*

SIRS :—On the 4th and 5th October we examined the North Carolina Rail Road from Charlotte to Goldsboro in accordance with the terms of the lease to the Richmond & Danville Rail Road Company. We have agreed that it will require twelve hundred (1,200) tons of new iron of 50 pounds to the lineal yard to repair the track for next year. The iron from the 118½ mile post, west to Greensboro, shall be laid first, the balance of the 1,200 tons shall be put east of the 34 mile post. The iron that is taken from the track between the 118 and 130 mile posts shall be culled, and what is available for use shall be laid east of the 29 mile post.

In other respects we find the property in satisfactory condition.

Yours respectfully,

(Signed)

THOS. D. HOGG,

Expert for N. C. R. R. Co.

T. J. SUMNER,

Expert for R. & D. R. R. Co.

On the 10th June I received the following from Dr. Thos. D. Hogg, expert for this Company :

RALEIGH, N. C., June 9th, 1888.

COL. THOMAS M. HOLT, *President* :

SIR :—On the 7th and 8th of this month, Col. Sumner and I examined the North Carolina Rail Road from Charlotte to Goldsboro.

Up to this time the Richmond & Danville Rail Road has not laid down any of the iron that was to have been placed in the track this year, but they have until first of next January to comply with the requisition. When they do I will report it to you.

The track laid with the old iron rails, considering its age and the old style of joints, is in as good condition as can be expected. That laid with steel is in first-class order.

The rest of the property is in accordance with the terms of the lease.

I am, yours respectfully,

(Signed)

THOS. D. HOGG, *Expert*.

The deposit in the First National Bank of Charlotte, to secure the semi-annual rent due by the R. & D. R. R. Co., consists of \$200,000 of Richmond & Danville five per cent. consol bonds, for which will be substituted \$167,000 of six per cent. first mortgage bonds of the North Western Rail Road Company, as soon as they are issued, said mortgage not to exceed \$15,000 per mile of finished road.

All of which is respectfully submitted,

THOS. M. HOLT, *President*.
